

Participation Online Tournaments

Dressage Procedure

Production and upload of 2 videos:

1. Video of Warm Up (15 min)
2. Video of Test including horse control (6-10 min depending on specific test)

GENERAL:

- Registration at www.equi-league.com
- Create a rider account
- Registration of horses and upload of 2 photos/sides of the horse passport (photo 1: side with the base data of the horse (name, date of birth, color aso) / photo 2: side with the drawn markings of the horse)
- Location and dimensions of arena
- Selection of event registration (The desired starting time can be selected.)
- Mandatory Tournament attire.
- We reserve the right to carry out appropriate checks (e.g. medication checks)

FILMING:

- The filming must be done with a smartphone for inclusion of metadata.
- The smartphone must be kept in horizontal format.
- Camera position approximately 2 meters behind C
- If the camera position is not possible 2 meters behind C, the square may be shortened by 2 meters. The camera position is then exactly at C.
- The complete square must be visible and must not be covered by fencing or walls
- Film starts approximately 10 seconds before the start of the Test and ends after the horse check
- A static camera can be used for the warm up
- The video must be recorded with original sound without comments or assistance from outside the arena.
- Horse and rider must be clearly visible and large enough. Please use the zoom.
- The video can be uploaded via my.equi-league.com

TIP: Switch the smartphone you are filming with to flight mode to avoid interference

Warm Up (VIDEO 1):

- 15 minutes before the starting time must be filmed.
- For the video, a code word and a countdown will be displayed on my.equi-league.com 15 minutes before the starting time.
- The code word must be given at the beginning and end of the video by the person who is filming it.
- Warm up is possible both in the competition arena as well as a separate riding arena

Dressage Test (VIDEO 2):

- Only one rider permitted in the competition arena
- A code word and a countdown are displayed for the video at the start time on my.equi-league.com. It must be mentioned at the beginning and end of the video or shown and recorded on a separate mobile device
- From the start time you have a certain number of minutes to complete the test and 1 hour to upload the video (time depends on the test)
- After completing the test, the equipment (bridle, saddle) and the condition of the horse must be filmed. See details see below.

HORSE CONTROL DRESSAGE

After finishing the test, the rider rides towards the camera on long reins and the horse is controlled:

1. Rider dismounts
2. Check the position of the bridle. Push 2 fingers under the bridle
3. Check angle of and bit: loosen the noseband and open the mouth film the mouth angle, finger in the mouth angle: film the bit.
4. Check saddle position/ flanks: remove saddle
5. At the end of the recording, the camera goes around the horse at about 2 meters and films it in its entirety.

After the horse control the video is finished.
